

Announcing a World Class, Nationally Accredited Teen and Parent Treatment Center Opening in Thousand Oaks, CA

ROWI is proud to announce the opening of its treatment center in Thousand Oaks. Our team offers the highest quality mental health and addiction treatment for teens and their families. ROWI is founded by Dr. Candice Feinberg, a leading expert in teen rehabilitation and recovery. Brittany Cohen, MSW, an expert in teen and parent treatment, is our Program Director. ROWI'S treatment team also includes Dr. Marc Rosenthal, MD, who has over 28 years of experience in child and adolescent psychiatry, Rhonda David, MS, LMFT, who has over 15-years of family and children's therapy, and Andrea Mettel, a credentialed teacher in the Conejo Valley for over 20 years, who will be customizing our classroom content for every client.

ROWI offers Partial Hospitalization (PHP), Intensive Outpatient (IOP), group and individual therapies to teens between the ages of 12 - 18 who suffer from mental health and addiction issues. In addition, teens have access to an online accredited school with a credentialed teacher using state-of-the-art technology in small classroom environments. ROWI has been awarded preliminary accreditation by The Joint Commission. ROWI is the only teen out-patient treatment center in Thousand Oaks to have any form of Joint Commission accreditation.

Teen Treatment

ROWI offers a treatment program that uses the most effective, evidence-based methods. ROWI will further distinguish its program by integrating holistic and non-traditional treatment methods, such as meditation, yoga, equine, art, and surf therapies.

ROWI will treat:

1. Teen Depression
2. Substance Abuse
3. Trauma
4. Self-Harm
5. Gender Identity Disorder
6. Mood Disorders
7. Anxiety OC

Parent Counseling & Coaching

ROWI understands that effective and lasting treatment must incorporate the entire family. ROWI is unique in that it will offer comprehensive parent counseling as well as courses on effective parenting. The entire family is encouraged to work with ROWI parenting professionals to learn better parenting methods and discontinue or avoid behaviors that are detrimental. Parent therapy will be offered in both individual, couple and group sessions.

Group and Alumni Counseling

ROWI also offers a continuing care plan to achieve sustainable goals and maintain preferred behaviors. ROWI offers our community several out-patient programs and services for clients completing treatment. ROWI also assures all will always have a supportive therapeutic "home" to which they can return, if desired. Weekly process and support groups will be provided as well as other alumni events.
